1. SWATFTWA-TC-31 (1) : Successful Login						
Pre-conditions		User must have a valid Trello account				
Run Details						
Assignee		Gehad Ahmed				
Status		Passed				
Actual Effort						
Defects						
Attachments						
Created		21 Oct 2024, 01:13 AM				
Updated		21 Oct 2024, 01:13 AM				
Execution Mode		Manual				
#	Step	Data	Expected Result	Actual Result	Status	Defects and Attachments
1	1. Open the Trello login page. 2. Enter a valid email address. 3. Enter the correct password. 4. Click the "Log In" button.		User is redirected to the Trello dashboard, and their username is displayed in the top right corner		Passed	

2. SWATFTWA-TC-37 (1) : Browser Compatibility (Google Chrome)						
Pre-conditions		None				
Run Details						
Assignee		Gehad Ahmed				
Status		Passed				
Actual Effort						
Defects						
Attachments						
Created		21 Oct 2024, 01:13 AM				
Updated		21 Oct 2024, 01:13 AM				
Execution Mode		Manual				
#	Step	Data	Expected Result	Actual Result	Status	Defects and Attachments
1	<div>1. Open the Trello login page in Google Chrome (latest version).</div> <div>2. Verify that all elements (username field, password field, login button) are properly aligned.</div> <div>3. Test the login functionality by entering valid and invalid credentials.</div>		<div>1. The page should display and function correctly without any layout or functionality issues.</div>		Passed	

3. [SWATFTWA-TC-36 \(1\)](#): Login with Remember Me Option

Pre-conditions		User has a valid Trello account				
Run Details						
Assignee		Gehad Ahmed				
Status		Passed				
Actual Effort						
Defects						
Attachments						
Created		21 Oct 2024, 01:13 AM				
Updated		21 Oct 2024, 01:13 AM				
Execution Mode		Manual				
#	Step	Data	Expected Result	Actual Result	Status	Defects and Attac hments
1	1. Open the Trello login page. 2. Enter a valid email address and password. 3. Check the "Remember Me" checkbox. 4. Click the "Log In" button. 5. Log out of the account. 6. Reopen the Trello login page.		The email field is pre-filled with the user's email address.		Passed	

4. [SWATFTWA-TC-35 \(1\): Password Recovery Link](#)

Pre-conditions	User cannot remember their password					
Run Details						
Assignee	Gehad Ahmed					
Status	Passed					
Actual Effort						
Defects						
Attachments						
Created	21 Oct 2024, 01:13 AM					
Updated	21 Oct 2024, 01:13 AM					
Execution Mode	Manual					
#	Step	Data	Expected Result	Actual Result	Status	Defects and Attachments
1	1. Open the Trello login page. 2. Click on the "Forgot password?" link. 3. Enter a valid email address associated with the account. 4. Click "Send Reset Link."		A confirmation message is displayed indicating that a password reset link has been sent to the email.		Passed	

5. SWATFTWA-TC-34 (1) : Login with Empty Fields						
Pre-conditions		None				
Run Details						
Assignee		Gehad Ahmed				
Status		Passed				
Actual Effort						
Defects						
Attachments						
Created		21 Oct 2024, 01:13 AM				
Updated		21 Oct 2024, 01:13 AM
